Product Range**

*Clean Water Better Living*

# Water treatment

The Raindance water treatment range by MacCLEAN offers a solution for just about any water treatment problem.

Whatever you need to dramatically improve the quality of the water around the home, we can help.

## Applications range from:

- Acid neutralisation for a solution to corrosion problems.
- Hardness reduction for softer water and a dramatic reduction in the use of detergents.
- Iron removal to improve colour and odour.
- UV sterilisation for treatment of bacteria in the water supply.

## Accessories

- **Fittings** - A wide range of Quickconnect fittings are available to customise your system. Typical uses include modification for refrigerator connection and remote positioning of pure water tanks in Reverse Osmosis installations.
- **Membrane flush kits** - Reverse Osmosis units need regular servicing to perform like new. Flush kits are available for the "do it yourself" consumer to prolong the life of your membrane.
- **Faucet monitor** - A great reminder tool to indicate when a service is due allowing the best performance of your unit. Neatly installed under your pure water drinking faucet.
- **Shower filter** - Simply installed in your bathroom in a matter of minutes to provide a chemical free clean shower.

Water Purifiers

## Single housings 3/4" In/Out (FX Model)

Pleated Washable  
30 Micron

Polypun  
3 Micron

Stringwound  
Sediment  
5, 10, 25 Micron

For those applications where you need to house a separate filter - choose one of the Raindance double open ended or SureSeal filter cartridges.

### Common uses include:

- Filtering tank water
  - As a prefilter to a pump
  - As a prefilter before a water heater
  - As a roughing filter for the garden
- (Spanner and filter mounting bracket available)

## Larger filter housings (Jumbo Model)

Larger Raindance Jumbo housings are used for those applications where greater flow is required or where the job may be semi commercial.

### Common uses include:

- Filtering large tanks
- Whole of house filtration
- Pump house prefilters

(Spanner and filter mounting bracket available)
